APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
following limitations and conditions:
This permit is issued subject to all existing rights on the
source. It is understood that the 0.25 c.f.s., herein granted
is only a temporary allowance and that the final water right ob-
tained under this permit will be dependent upon the amount of
water actually placed to a beneficial use. A suitable measuring
device must be installed and accurate measurements of the water
placed to a beneficial use must be included in the proof of such
use when filed. The State retains the right to regulate the use
of the water herein granted at any and all times.
The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, an
not to exceed
Actual construction work shall begin on or before June 14, 1967
Proof of commencement of work shall be filed before July 14, 1967
Work must be prosecuted with reasonable diligence and be completed on or before June 14, 1968
Proof of completion of work shall be filed before
Application of water to beneficial use shall be made on or before
Proof of the application of water to beneficial use shall be filed on or before
Map in support of proof of beneficial use shall be filed on or before
Commencement of work filed May 18, 1977. Completion of work filed May 18, 1977. WITNESS MY HAND AND SEAL this 14th da
